Recommendation about the Withdrawal of Professional Preparation Program

Background

The Orange County Department of Education has an approved program to serve both Multiple Subject and Education Specialist Interns. The program was developed to serve the needs of the districts in Orange County. Currently, there is not a need for Multiple Subject teachers in Orange County. Districts are staffing the classrooms with teachers on a preliminary or clear teaching credential.

The Orange County Department of Education has submitted a letter to the Commission giving notification that the Multiple Subject credential program is being withdrawn until a future date when there is again a need for this service to the Orange County Districts.

Staff Recommendation

That the Multiple Subject Credential Program at the Orange County Department of Education be withdrawn at their request effective August 24, 2006.
